

Saturday, Sept. 9th at 1:30 PM and again 2:30 PM
plus
Sunday, Sept. 10th at 1:30 PM and again 2:30 PM

The **American Red Cross**

Will be presenting a free 30-minute lecture in English on how you can prepare yourself and your family for a disaster. The City of Fremont is located on top of the Hayward Fault. The United States Geological Society (USGS) says that there is a 67 % chance we will experience a major earthquake in the San Francisco Bay Area in the next 20 years. Please come and learn how to be prepared. The Red Cross will present this lecture in Cantonese at 1:00 PM and in Spanish at 2:00 PM.

Location: Under the Large White Tent behind the Fremont Community Center Building, 40000 Paseo Padre Parkway and Mission View Drive, next to Lake Elizabeth.

Parking: Allow yourself extra time to find parking. There will be public parking in the parking lots near the Fremont Community Center Building and Swim Lagoon. But the parking lots may be full because many people will be coming to the Celebration going on around Lake Elizabeth.
